Renewed Petition under 37 CFR 1.137

Via Facsimile 571-273-8300

RE: Claude Ray, Serial No. 10/824,827

Dear Sir/Madam:

This a renewed petition pursuant to a decision mailed on August 24, 2007 initially denying the previously filed petition to revive the above referenced application for failure to timely notify the office of the filing of an application in a foreign country. The petition was denied on the basis that, because a previously filed response to an office action contained an insufficient fee for the requested extension of time, the application was technically abandoned for that reason. As instructed in the written decision, applicant therefore is submitting Form 2038 to cover the petition fee deficiency (\$15) and the below statement under 37 CFR 1.137(b).

Undersigned hereby avers that the entire delay in filing the required original petition referenced above until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

Respectfully submitted,

Kenneth L. Tolar
